

Managing AI Business Risk – Governance Frameworks for HR Professionals

 **27 March 2026 (Friday)**
2:00pm – 5:00pm
CPD Hours: 3 **Cantonese**
(with materials in English)

Are your employees using AI safely? AI is a culture issue that HR must lead. This 3-hour practical workshop replaces reactive worrying with an executive toolkit. Using real-world cases and simple frameworks, you will learn how to evaluate any AI tool, reduce data risk, and turn unmanaged 'Shadow AI' into a safe, professional standard across your company.

Workshop Outline

- The "Shadow AI" Audit: Exposing hidden risks in your current workforce.
- The New AI Org Chart: Understanding your digital "co-workers" (RAGs & AI Agents).
- The Red-Light/Green-Light Framework: Instant policy-making for any AI tool.
- Your 90-Day AI Success Plan: From zero to governed.
