Reference Number: N/A

Organization: KPMG

Date: 2026-02-13

Job Description:

KPMG is a global network of professional services firms providing Audit, Tax and Advisory services to many of the world's foremost companies. We operate in 142 countries and territories and have more than 275,000 people working in member firms around the world. KPMG China has offices located in more than 31 cities across China, with over 14,000 partners and staff.

Joining KPMG means that you will become an integral part of a multi-disciplinary team to help our clients excel in the changing market environment. You will enjoy world-class training and tailored career development to help fulfil your potential. You will also be motivated to learn new things every day and work with some of the best talents around the world. Our reputation as a leading professional service provider is reinforced by the wide range of awards KPMG has received over the years as the employer of choice, for our strong community involvement and our wealth of knowledge in the professional industries. We are looking for top students who are passionate, committed, and eager to succeed - all degree disciplines are welcome.

About Audit

Our Audit professionals are never short of exciting projects. Essentially, we make use of data and analytics to give clients our view on whether their financial statements are a 'true and fair' reflection of reality.

In this technology driven era, our digital auditors focus on transforming our current audit practice into a tech-enabled process that fully utilises our data and analytics capabilities which frees us up to focus on client relationships and added value.

Key Responsibilities

- Assist in research on audit and assurance engagements
- Support the Engagement manager with scoping, financial management, delivery of risk management activities and identification and communication of audit findings
- Contribute to the preparation of reports, presentations, and proposals to clients
- Collaborate with team members on ongoing client engagements and initiatives

Requirements

- Freshman to final year university students from any academic disciplines
- Fluency in both written and verbal English, Cantonese and Mandarin
- Good written and verbal communication skills
- Passionate, committed, and eager to success
- Self-starters with good analytical and problem-solving skills
- A permanent resident or holder of a valid work visa in the location that you apply for

Internship period

June 2026 – August 2026 (Start and end date can be flexibly adjusted) (at least 8 weeks)
