Job Title: **KPMG 2026 ESG Audit Summer Intern Programme - Hong Kong**

Reference Number: N/A

Organization: KPMG

Date: 2026-02-13

Job Description:

KPMG is a global network of professional services firms providing Audit, Tax and Advisory services to many of the world's foremost companies. We operate in 142 countries and territories and have more than 275,000 people working in member firms around the world. KPMG China has offices located in more than 31 cities across China, with over 14,000 partners and staff.

Joining KPMG means that you will become an integral part of a multi-disciplinary team to help our clients excel in the changing market environment. You will enjoy world-class training and tailored career development to help fulfil your potential. You will also be motivated to learn new things every day and work with some of the best talents around the world. Our reputation as a leading professional service provider is reinforced by the wide range of awards KPMG has received over the years as the employer of choice, for our strong community involvement and our wealth of knowledge in the professional industries. We are looking for top students who are passionate, committed, and eager to succeed - all degree disciplines are welcome.

About ESG Audit

KPMG's ESG Reporting and Assurance practice helps organisations improve their corporate sustainability management as well as support organisations in developing their strategies to specific sustainability challenges. Our goal is to help our clients understand and respond to sustainability trends that are driving changes in markets, regulations, and technologies. Our work ranges from supporting the development of strategy, management, and reporting to helping clients resolve implementation challenges to approach to climate change, supply chain management, and other emerging areas.

Key Responsibilities

- Assist in research and analysis of ESG trends, regulations, and best practices
- Support the team in developing ESG strategies and frameworks for client (focus on financial institutions on their net-zero transition plan development)
- Contribute to the preparation of reports, presentations, and proposals to clients
- Engage in client meetings and discussions, taking notes and summarizing key points
- Collaborate with team members on ongoing client engagements and initiatives (e.g. Round Table for banking sectors etc.)

Requirements

- All year of students with from all disciplines, ideally Environmental Studies, Business, Finance, or related field
- Strong analytical skills and attention to detail
- Excellent written and verbal communication skills
- Strong teamwork ability and able to work independently
- A passion for sustainability and interest in ESG issues (familiar with green and sustainable finance is preferably, not a must though)
- Proficiency in Microsoft Office Suite; familiarity with data analysis tools is a plus
- A permanent resident or have the right of abode in the location that you apply for

Internship period

June 2026 – August 2026 (Start and end date can be flexibly adjusted) (at least 8 weeks)
