Job Title: **KPMG 2026 Transaction Mergers & Acquisitions Summer Intern Programme - Hong Kong**

Reference Number: N/A

Organization: KPMG

Date: 2026-02-04

Job Description:

KPMG is a global network of professional services firms providing Audit, Tax and Advisory services to many of the world's foremost companies. We operate in 142 countries and territories and have more than 275,000 people working in member firms around the world. KPMG China has offices located in more than 31 cities across China, with over 14,000 partners and staff.

Joining KPMG means that you will become an integral part of a multi-disciplinary team to help our clients excel in the changing market environment. You will enjoy world-class training and tailored career development to help fulfil your potential. You will also be motivated to learn new things every day and work with some of the best talents around the world. Our reputation as a leading professional service provider is reinforced by the wide range of awards KPMG has received over the years as the employer of choice, for our strong community involvement and our wealth of knowledge in the professional industries. We are looking for top students who are passionate, committed, and eager to succeed - all degree disciplines are welcome.

About Transaction Mergers & Acquisitions

KPMG Corporate Finance is a global leader in M&A advisory with an international network of 2,500 investment professionals across 80 countries. With in-depth understanding of the complexities and challenges in the M&A markets across industries, our team offers strategic advice on buy side, sell side, private equity, special situations M&A, public to private transactions and several other areas of M&A.

About the role

We are looking for fresh graduates to join KPMG M&A where you will be:

- Assisting with client targeting and internal and external marketing
- Supporting the origination and assessment of deal opportunities
- Providing support of specific transactions through the deal life cycle including conducting in-depth financial, business analysis and competitive assessment, preparation of marketing materials, information memorandum, related documentation and assisting with investor and lender dialogue
- Financial modelling and pricing analysis of comparable transactions, companies, projects and assets
- Staying up to date with industry trends and issues in the markets; researching of corporate and financial clients, industry sectors and/or projects

Requirements

- You are currently a full-time student studying in Hong Kong or overseas and can commit an internship period from May/June to August.
- Ideally majoring in accounting and business-related or equivalent disciplines

- Strong interest in M&A, financial services and corporates
- Strong analytical, financial and commercial skills
- Good time management skills
- Good written and verbal presentation and communication skills
- A team player with high levels of enthusiasm and a self-driven mentality
- Ability to perform under pressure
- Proficiency in English. Written and spoken Mandarin and Cantonese is preferred
- A permanent resident or holder of the right of abode in the location you are applying for
