Job Title: **KPMG 2026 Trusted Actuarial Summer Intern Programme - Hong Kong**

Reference Number: N/A

Organization: KPMG

Date: 2026-02-04

Job Description:

KPMG is a global network of professional services firms providing Audit, Tax and Advisory services to many of the world's foremost companies. We operate in 142 countries and territories and have more than 275,000 people working in member firms around the world. KPMG China has offices located in more than 31 cities across China, with over 14,000 partners and staff.

Joining KPMG means that you will become an integral part of a multi-disciplinary team to help our clients excel in the changing market environment. You will enjoy world-class training and tailored career development to help fulfil your potential. You will also be motivated to learn new things every day and work with some of the best talents around the world. Our reputation as a leading professional service provider is reinforced by the wide range of awards KPMG has received over the years as the employer of choice, for our strong community involvement and our wealth of knowledge in the professional industries. We are looking for top students who are passionate, committed, and eager to succeed - all degree disciplines are welcome.

About Actuarial Advisory

In Actuarial, risk, capital and value is the name of the game. Our work encompasses a vast array of complex issues, from quantifying the impacts of financial risk using sophisticated mathematical models and statistical analysis, to communicating these impacts to our clients

- enabling them to make the best decisions possible. Working in Actuarial, you'll be brought into the exciting worlds of insurance, finance and investment, where you'll leverage a wide range of technical skills and innovative ideas to solve the problems of some of the biggest companies in the world. Simply put, we help our clients manage their risk, capital and value
- and so will you!

Actuarial Advisory is a growing service area for KPMG and we are looking for graduate consultants to join our team in Hong Kong.

About the role

We are looking for fresh graduates to join us. The corresponding duties of consultants will include:

- Supporting clients on accounting and regulatory requirements like IFRS 17, Hong Kong RBC, etc
- Assisting on transformational and optimisation projects like balance sheet optimisation
- Providing services on risk and capital management like EC, ALM review, capital restructuring, etc
- Support insurance deal advisory services such as M&A, due diligence etc
- Providing actuarial related advisory services, including appointed actuary service, actuarial modelling, product development, valuation, internal audit, etc
- Delivering quality actuarial audit services, covering life insurance, general insurance and pensions

Requirements

- You are currently a full-time student studying in Hong Kong or overseas and can commit an internship period from May/June to August.
- Ideally majoring in Actuarial, Risk Management or Mathematics-related subjects
- Fluency in both written and verbal English; Cantonese or Mandarin is a plus
- Good written and verbal communication skills
- Passionate, committed, and eager to success
- Self-starters with good analytical and problem-solving skills, including coding (e.g. Python)
- High execution ability and strong teamwork awareness
- A permanent resident or holder of the right of abode in the location you are applying for
