In today's competitive market, the right hire is everything. This intensive, one-day workshop equips you with the advanced tools and practical skills to move beyond standard interviews. Learn to design and implement powerful assessment strategies that accurately identify top talent who will drive your organisation forward.

In this workshop, you are able to:

- **Decode Assessment Centres:** Clearly distinguish between Assessment and Development Centres and know when to use each for maximum impact.
- **Build a Robust Framework:** Identify and apply relevant competencies tailored to your organisation's unique goals and culture.
- **Master Advanced Tools:** Evaluate and compare the effectiveness of various assessment tools—from psychometrics to simulation exercises.
- **Make Confident Decisions:** Enhance your recruitment decision-making with proven, data-informed techniques that reduce bias and improve hire quality.
