

Job Opportunities

Job Title: **KPMG 2026 Technology Risk Consulting Summer Intern Programme - Hong Kong**

Reference Number: N/A

Organization: KPMG

Date: 2026-02-28

Job Description:

KPMG is a global network of professional services firms providing Audit, Tax and Advisory services to many of the world's foremost companies. We operate in 142 countries and territories and have more than 275,000 people working in member firms around the world. KPMG China has offices located in more than 31 cities across China, with over 14,000 partners and staff.

Joining KPMG means that you will become an integral part of a multi-disciplinary team to help our clients excel in the changing market environment. You will enjoy world-class training and tailored career development to help fulfil your potential. You will also be motivated to learn new things every day and work with some of the best talents around the world. Our reputation as a leading professional service provider is reinforced by the wide range of awards KPMG has received over the years as the employer of choice, for our strong community involvement and our wealth of knowledge in the professional industries. We are looking for top students who are passionate, committed, and eager to succeed - all degree disciplines are welcome.

About Technology Consulting

At KPMG's Consulting practice, we do not limit ourselves to either strategy or implementation. We deliver both. Our Hong Kong division is the fastest growing within KPMG China and represents a young and enthusiastic team that always pushes for success. Since our inception, we have acquired in-depth knowledge of an incredibly broad range of sectors and services.

KPMG is the firm that views Technology Risk and Cyber Security as a business enabler, and not just an IT issue. From the boardroom to back office, we help clients through Strategy and Governance, Transformation, Cyber Defense and Cyber Response. So that they are prepared for uncertainty and use technology to advance the business, not stand in the way.

About the role

We are seeking summer intern students to join our Technology Consulting - Technology Risk & Cyber Security practice. This role focuses on managing topical issues for our clients by helping them in identifying technology risks within the organization and defining strategy as well as designing controls to address the risk.

Benefits We Offer

KPMG is looking for someone who is passionate about helping our clients with their cyber security challenges. In return, we are helping you to develop your skills and career within the KPMG network.

Requirements

- You are currently a final / penultimate year full-time student studying in Hong Kong or overseas on track for an upper-second class honor or above undergraduate degree.
- Ideally majoring in computer science, computer engineering, information systems management, technology, cybersecurity or equivalent degrees.
- An adventurer and a pioneer keen to explore the professional consulting industry for long-term career development.
- Enjoy analysing a problem, thinking outside the box, making things happen and contributing with a team of people as bright as you
- Have demonstrated your leadership and influencing skills through leading a highly regarded project, winning a team-based open competition or taking part in organising scalable events.
- Strong communication skills with people from different background and at different levels while creating a positive impression to establish professional relationship.

Internship period

Available to join from July to August

Preferably full-time (Monday to Friday, 8 hours per day); part-time is also considered.

Application

If you're interested in our Summer Intern Programme, please do not hesitate to apply through our website at Job details - [KPMG 2026 Technology Risk Consulting Summer Intern Programme - Hong Kong](#). All personal data will be collected for recruitment purposes only.

About KPMG

At KPMG China, we are committed to being an equal opportunity employer, with zero tolerance for any form of discrimination against any persons. It is important for us to create an inclusive, diverse and agile workplace for our people to develop and thrive at both a personal and professional level.

We strive to make ESG (environmental, social and governance) a watermark running through our organisation; from empowering our people to become agents of positive change, to providing better solutions and services to our clients to help them achieve their ESG goals. View [Our Impact Plan](#) to learn more about our ESG commitments and progress across four key pillars - Governance, People, Planet and Prosperity – and how we make a positive impact on our people, environment and society.

We encourage you to come as you are, and we welcome all qualified candidates to apply, and hope you unlock opportunities with us. Visit [KPMG China website](#) for more company information.

You acknowledge and agree that all personal information hereby provided regarding yourself

will be used by KPMG China for its candidate selection purposed only. KPMG China collects, uses, processes, and retains your personal information in accordance with KPMG China's [Online Privacy Statement](#) and/or [KPMG China Privacy Statement](#) (collectively "**Privacy Statement**"). During the recruitment process, KPMG China may need to store personal information of candidates in a designated third-party application tracking platform.

If you have any questions regarding the information you provided in the form or your job application in general, please contact KPMG China's HR personnel in the location where your application is submitted [[see here](#)].
