# THINKERTOYS™ Creative & Innovative Thinking In-company Trainer Certification Program Information Webinar

“ Welcome to the workshop that's redefining innovation across the region. ”

## TRAINER

### Kelvin Fung

Chief Executive Officer  
LMI Academy Limited

With extensive experience in instructional design, leadership development, and business consulting, Kelvin is one of the most sought-after trainers in town. He works with the best-in-class subject matter experts on the design, branding and delivery of proprietary licensed learning solutions in the region.

Thinkertoys™ is the region's most sought-after creative thinking program, where teams learn to dismantle roadblocks and architect groundbreaking solutions. But the transformation doesn't have to end when the workshop does. What if you could harness this creative energy permanently, making it a native language within your company?

Our Thinkertoys™ In-company Certified Trainer pathway empowers your key talent to facilitate this powerful experience themselves. This isn't a simple licensing agreement; it's an immersive certification that equips your future leaders with the tools, methodologies, and confidence to ignite creativity on demand.

### You'll learn to:
