Ms Kris Lui
F.I.H.R.M. (HK)

ABOUT OUR WORKSHOP

This workshop enables line managers to develop and update their important mindset, skills and practical tools to **attract, develop and retain talent** while building trust, engagement and high-performance teams across generations, levels and cultures so as to deliver business and organisation results.

WHAT YOU WILL LEARN

- Build strong line manager–employee partnership with trust
- Lead and motivate a multi-generation workforce effectively
- Create positive employee experiences across the employee life cycle
- Conduct meaningful performance and feedback conversations as well as handling difficult situations
- Enable line managers to relieve stress and enhance wellness via emotional intelligence and leadership resilience

WHO SHOULD ATTEND

- Line managers and supervisors
- HR professionals, HRBP, L&D and Talent Management specialists
