Upskilling & Reskilling in the Age of AI

Webinar

“Your most-wanted L&D questions answered by L&D experts and leaders!”

An informal open forum for junior to middle-level HR practitioners to ask any questions related to Upskilling & Reskilling in the Age of AI. Building AI-ready capabilities equips employees for change, aligns learning with strategic goals, and drives long-term organizational agility!

“Have you ever wished there was someone to answer your just-in-time questions at work?”

Share with us your questions, “Ask Us Anything” is finely tuned to address your relevance, **while your identity will be kept anonymous**. Don’t miss out on this unique chance; reserve your seat now!
