# Future-Proof Your Career: Become a Globally Certified AI-Ready HR Leader in 2026

1-Hr **Free** Information Webinar

15 May 2026 (Friday)  
1:00pm – 2:00pm  
CPD Hours: 1

Zoom

Cantonese

## Overview

AI is transforming how organizations operate — particularly in HR field — but many HR leaders are still lacking in managing AI-talent, AI-governance and AI-compliance challenges in this Era.

This session introduces a globally recognized certification (PMI-CPMAI) designed to help HR professionals lead responsible AI adoption, risk management and redesign workflow to enhance efficiency and achieve cost reduction targets.

### What You Will Learn

- The **AI paradox** facing HR professionals today
- Explore the new **PMI-CPMAI global certification**
- Learn how HRBP could use the **certification framework** to **redesign workflows, govern talent and risk**, and **measure what matters**
- **Practical first step** to turn **AI challenge** into your **biggest opportunity**
