

VISUAL THINKING & BIKABLO[®] WORKSHOP

 **11 April 2026 (Saturday)**
9:30am – 5:30pm
CPD Hours: 7

 **HKIHRM**

 **English**

OVERVIEW

Clear communication is essential in today's **information-heavy workplace**. This interactive workshop introduces **bikablo[®] visual thinking techniques** that help professionals **structure ideas, explain complex topics**, and guide discussions using **simple drawings and visual layouts**. No artistic background is required.

WHAT YOU WILL LEARN

- Build confidence in **simple visual drawing techniques**
- Use **icons, symbols and layouts** to structure ideas clearly
- Apply **visual storytelling** to presentations and facilitation
- Capture discussions using **sketchnotes** in real time
- Guide meetings and workshops with stronger visual clarity

WHO SHOULD ATTEND

- Facilitators and trainers
- HR and L&D professionals
- Managers, consultants and leaders
- Professionals who present or facilitate regularly

Ms Maaïke Borsboom

Globally Certified bikablo[®] Trainer
Founder, INKSIGHT

- International facilitator specialising in **visual thinking, leadership, and organisational development**
- Helps professionals worldwide communicate clearly and collaborate through **simple, structured visual methods**
