Professional Certificate of HR Excellence in ESG Information Webinar

**22 October 2026 (Thursday)**
12:30pm - 1:30pm**Cantonese**
(with English materials)

Even forward-thinking organizations often struggle to align human capital strategies with corporate sustainability and governance demands. Designed to bridge this gap, the Professional Certificate of HR Excellence in ESG framework provides a proven roadmap to transform HR professionals into strategic leaders who drive ethical, sustainable, and inclusive workplace cultures.

This 1-hour webinar is designed for HR professionals and key stakeholders who want to explore how integrating ESG principles can create tangible impact in their organizations. You will also discover how the upcoming 2-Day Professional Certificate program equips you to embed environmental sustainability, social responsibility, and governance into your day-to-day HR practices.
