SENSE TRAINING

In-company Trainer Certification Programme

Unlock Your Facilitation Toolkit

LEGO® SERIOUS PLAY® and Team Forging® - HALF-DAY TASTER

Experience Two Transformative Facilitation Methods in One Half-Day

Get hands-on with Team Forging® and LEGO® SERIOUS PLAY® — and decide which 2-day accredited certification is right for you.

- **Designed for L&D, HR & OD professionals** seeking impactful facilitation skills
- **Walk away with a flexible mini-framework** you can use immediately
- **Test-drive the methods** before committing to the 2-day certification
- **Meet the SENSE Training community** and certified facilitators

What You'll Experience:

1 LEGO® SERIOUS PLAY® – Creative Facilitation

Taster of 2-Day International Certified Workshop

Participants experience the LEGO® SERIOUS PLAY® methodology and power. The visualization of LEGO® models let the participants share their thoughts more easily.

- ***Experience "Thinking with Your Hands"***
  - *Build LEGO® models to unlock innovative ideas and breakthrough thinking*
- ***Explore Strategic Planning Through Play***
  - *See how structured play methodology tackles complex organisational challenges*
- ***Collaborative Problem-Solving Demo***
  - *Engage in a live facilitation exercise building collaborative knowledge systems*

2 Team Forging® – Game-Based Team Facilitation

Taster of 2-Day Certified Team Forging Facilitator Programme

Deliver next-generation, game-based learning experiences that reveal real team behaviours — fast.

- ***Explore the Team Forging 3D Serious Game***
  - *See first-hand how the game drives engagement and team development*
- ***Preview Facilitation Frameworks:***
  - *Sample the Data-Oriented Debriefing Framework used by certified facilitators.*
- ***Hands-On Mini Activity***
  - *Participate in a live demo and experience the method as both facilitator and participant*
